Erlington Happenings.

News Notes - Personal Paragraphs and Other Doings at Home Worth of Special Mention.

Rooms to rent - W. C. McLeod.

Erlington is a "dry" town in more ways than one.

An elegant line of lamps at W. C. McLeod's.

You have taken a cold? You can care it away with Dr. T. C. Fetherall's. The oldest remedy for bronch and lung trouble.

An assortment of Medicines, Syrup and Laxatives surely at W. C. McLeod's, that you must take to appreciate.

Having the weather improvement in the blood may seriously annoy you. Expect them by taking Hood's Sarsaparilla, the great blood purifier.

The weather has been very changeable of late. One day it is cold enough to almost freeze the bones of a bear and the next day it is so warm that it will think you're in the tropics.

A big lot of new harness at W. C. McLeod's. Come in and get one.

Live to Die and I have just opened my new Drug Store in this city. A Clean and Diving Establishment, and guarantee all work done to be first-class in every particular. Residence on Reed street, O. F. COLLARD.

Our correspondents, one week with another, are somewhat like the old woman who said she had a good many children, but don't the dogs, and sometimes she doesn't do it.

To insure success, end in your manuscript not later than Tuesday.

Mrs. K. H. Bassett, and son started for New York this morning, where she will join her husband and reside in the future.

The fall oil year is a trying season for elderly people. The weather is cool, dark, dismal days act depressively, and you are inclined to both cold and young. Now is the time to re-enforce the vital energies and nerves-paraffin-the best oil used medicinally.

DRESSMAKING.

In every home there is a dressmaker. I am a propounder of taste and to give satisfaction to all those who patronize me.

Mrs. MOLLIE McGAVY,

Fashionable Dressmaker,
Erlington, Ky.

KARL'S CLOVER ROOT, the Blood purifier gives freshes and clearness to the complexion and cure constipation, etc., etc. \$1.00 per lb. For sale by St. Bernard Drug Store.

Will Finance in the Main Street, Erlington, Ky. This is the place to go to. The firm, the like, the like.

My company will fence in their right of way to a point in Bennerley, a distance of nearly two miles. It is to be completed as soon as possible. The fence is to be strong and well made to guard against further loss.

Mr. A. McGuffie, a well known citizen of Ky., Ohio, is of the opinion that there nothing as good for children with rheumatism as his "Ginger Root".

He has had it in his family for several years. He is the gripe he has himself troubled severe constipation, etc., etc. His "Ginger Root" has been used to great effect and has affected a permanent cure.

It is sold by St. Bernard Drug Store.

Who Does It Fit?

Some misses and minxes or passes to and fro among our fair sex, they out hear some very harsh criticisms, passed upon the young "ladies of creation," and the result of such roundabout talk, is fair damage to a company that has the other day, "Oh, his face looks like bonyfornal," or "surely he's been eating green peas since." Now, boys, would you "tidy up?" Don't look so sour—don't be afraid, if possible, get on the good side of these dear creatures, thus saving yourself from harsh criticism at their hands.

Old People.

Old people who require medicine to regulate the bowels and kidneys will find the remedy is Electric Bitterine, which does away with all trouble and aches no which are not interictic, but also as a tonic and alternative. It acts mildly on the stomach and bowels, adding strength and giving tone to the organs, thereby increasing the appetite. Electric Bitterine is an excellent appetizer and aid digestion. Old People find it just exactly what they need. Price fifty cents per bottle at St. Bernard Drug Store.

Election Returns: By tabulating the large tabulated returns, we find that the election returns from Hopkins county, will give us the official election returns from Hopkins county. While Democracy, locally, is rejoicing over their victory, the opposition over their defeat, the election returns are not yet in. We have been awaiting news from the legislature, for the last few days, to receive permanent relief. It can always be depended upon. When reduced with water, it is pleasant to take. For sale by St. Bernard Drug Store, Morton, Geo. Geo. King, St. Charles.

A Clean Sweep Was Made.

Our Municipal Fathers are doing their best to make the election returns of Hopkins county as good as the good work done on Railroad street in removing the two "shanties" that have so long been an eyesore to the community. One of them has been used for the last few days, while the other is still standing, as a warehouse for the laundry, thriving grocery store of W. C. McLeod, being in close proximity to his place of business; while the other, the smaller, has been removed to a new location for a dry goods store. Mr. C. C. Clegg, of Clegg's Dry Goods, got a new lease for a year and a half—something like a decade. Allen, "dag and baggag, honest and true," will open up a new establishment on Main street opposite McLeod's new stable, and will be located in the same building as the laundry.

The other building was torn down and removed by W. C. McLeod. With these obstructions out of the way the authorities will now proceed to bridge over the canal, and will have just time to have it open up and benefiting this particular locality. Earlinton surely.

Two Lives Saved.

Miss Phoebe Thomas, of Junction City, Ill., was told by her doctor she had bad consumption and that there was no hope for her, but two bottles of Dr. King's New Discovery completely cured her. Mr. T. C. Clegg, of Florida St., San Francisco, suffered from a dread cold, causing consumption, tried without result, everything else, then bought a new bottle of Dr. King's New Discovery and was soon well again.

Earlington is a safe place to live.

A Gate Day in Henderson. Tomorrow, pm to Henderson, tomorrow, noon in Henderson, son will be in high school.

The formal opening of the new park theater just completed, will be held Saturday evening at the theater in the Springfield building of Dr. J. S. Shadley. The organ, piano, and an ornamental archway to any city, will take place there at night. Every seat in the house has been sold which guarantees the opening will be a decided success.
